Organization Information for Docents

As an important part of the AIM program in 2011/12, the League of the Chicago Symphony Orchestra Association offers the assistance of a trained volunteer docent to help prepare your organization's children for their CSO concert. Presentations last about 40 minutes, although they can be adjusted to fit the available time period. Among the subjects covered are: the music to be performed at the concert, instruments of the orchestra, and the concert experience. If you have any questions, please call (312) 294-3184.
