

CHICAGO SYMPHONY ORCHESTRA

FELLOWSHIP PROGRAM

CSO Fellow
Gabriela Lara

**APPLY BY
MAR 15**

The Chicago Symphony Orchestra (CSO) is currently accepting applications for the CSO Fellowship Program for the 2023/24 Season. The CSO Fellowship Program is open to outstanding early-career string players (violin, viola, cello, double bass) who are attending or have graduated from college, university or conservatory and are from populations who have traditionally been underrepresented in American symphony orchestras, including, but not limited to, those who identify as Black, Latino or Indigenous.

Fellows will rehearse and perform in a major orchestra setting, work with the best conductors and receive training and mentorship from CSO musicians — experiences designed to equip them to win auditions in the top U.S. orchestras, including the CSO.

Video audition application deadline:

11:59 p.m. CT on Wednesday, March 15, 2023.
There is no application fee for this program.

Final audition date for selected applicants:

Monday, April 24, 2023, at Symphony Center, Chicago. Audition finalists will be provided with round-trip domestic transportation and up to two nights' accommodation.
